Treasure Allies by Bethany Wallace

Swashbuckling scallywag! The good ship Buccaneer has had a bad case of the bullies, and it's much worse than our hero Louis ever experienced on the playground. The pirate captain calls him names and won't even let him off the ship in time to get to class! And that's not all; it turns out the captain is being bullied himself. Can Louis and his fellow crew members teach their captain a few things about standing up to bullies before the next full moon? Or will Captain No-Beard come to pick on them and steal their map to the treasure?
