

StarStruck Theatre's 2-week Summer Performance Camp is the perfect place for budding performers that love singing, dancing, and acting. In this camp, students will put together a 45 minute musical that will conclude with three performances at the StarStruck Studio for friends and family. On the first day of camp, students are introduced to the basics of theatre terminology and take part in a placement audition. Once roles have been decided, an average day of camp includes several hours of singing, acting, dancing, and theatre games. Students are expected to attend every day of camp and study at home to memorize lines, music, and choreography. This summer, our two-week camps will rehearse and perform *The Lion King Kids*.
